NOTE: Parental Consent for youth under 18 is required written in Khmer or English

Imagine a world where all children are created equal and are able to participate in sports and recreational activities...A world where no child is left behind. This is the vision of Khmer Krom Canadian Youth Association of Ontario (KKYAO), and we are inviting you to get involved.

KKCYAO - The Children's Charity Association that focuses on integration and ability, not disability. Our KKYAO teams encourage and continue our supports to help youths in building confident and leadership skills to better prepare them for the real world.

Starting Friday, July 31, 2009 KKYAO will be hosting the 2nd annual camping trip; this exciting event will take place at Provincial Park. We are expecting over 50 children along with their families to this highly anticipated event which would not be possible without the generous support of organizations, businesses, and parents such as yours.

The day will be filled with "Magic" as the children participate in a variety of activities such as boating, swimming, and many other games and activities. There will also be lots of yummy food and treats. In order to make this day truly spectacular, we need your support.

Your donation would be greatly appreciated and would help to make this special event a success. Please contact our KKYAO team if you would like your child to participate in this unforgettable event. If you would like further information or to arrange pick up or drop off of your children, please contact any team members in your location.
